VISUAL LEADERS

NEW TOOLS FOR VISIONING, MANAGEMENT, & ORGANIZATION CHANGE

David Sibbet has already changed organizations, and he has changed lives. Now, in this wonderfully accessible book, he is reaching out to so many others. He can change you and your organization for the better, if you visualize and navigate your own future—and Sibbet will show you how to do just that.

“Having worked closely with David over many years, his ability to provide new perspective to the task at hand is unparalleled. Visual Leaders takes us to a new level by providing enriched tools and clearer processes. It is not only a must-read but also a must-implement.”

— John Schiavo
former CEO, Otis Spunkmeyer

“David Sibbet has pioneered the change towards visual thinking for decades. Now, with this third book focused on leaders, he gives you a powerful toolbox of visual tips and techniques to help you be more creative, increase productivity, and lead focused and inspiring meetings. Beyond all of that, he shows that working visually is more fun, too.”

— Adam Somlai-Fischer
Cofounder and Head of Design, Prezi
